Downstate Lawmakers Here Monday

One Liner

It is an old and true maxim that a drop of honey catches more flies than a gallon of gall. So with men, if you would win a man to your cause, first convince him that you are his sincere friend.

ABRAHAM LINCOLN

Legislators from throughout the state of Illinois will be introduced to the problems of the Chain of Lakes area next Monday.

About 60 of them, along with their families, will attend a barbeque and a tour of the lakes.

The gathering is being sponsored by the Antioch, Lake Villa and Fox Lake Chambers of Commerce.

JACK SIEGMEIER, president of the Antioch Chamber, told the village board Monday night:

"We want the legislators outside of the Chain to realize the importance of such things as the dredging work we need here. Maybe it will make a difference when they're voting in Springfield."

Persons from this area, realizing the flooding and pollution problems in the lakes and the Fox River, have been

pushing for more state aid. Many feel the Chain of Lakes area has been neglected by downstate legislators.

MONDAY'S EVENT will last from 3 to 9 p.m. and the headquarters will be the Harbor on Bluff Lake. Local marinas are donating boats to give the lawmakers and their families a tour.

In a letter to village officials and local businessmen, Siegmeier said:

"On Monday, July 19, our Chamber of Commerce and Industry will have the opportunity of a lifetime.

"In a 'showcase' demonstration, legislators and their families from all over the state will be visiting the Chain of Lakes area, with the idea in mind of learning just exactly what we have in the way of recreational advantages in western Lake County and why funds should be

Merchants Fear Meter Removal

Enforcement, Stiffer Fines Are Suggested

"The importance of strict enforcement" of downtown Antioch parking rules was stressed at Monday night's village board meeting by the Chamber of Commerce and Industry.

In a survey made by the Chamber, "merchants expressed dissatisfaction with the present enforcement of meter parking and felt that lax enforcement of non-meter parking would be disastrous," said Jack Siegmeier, Chamber

Representatives of the three groups will meet soon.

THE VILLAGE board had decided last month to remove the meters and possibly replace them with two-hour parking

signs. Some businessmen objected. The Chamber has long been concerned with keeping the downtown parking spaces open for shoppers. Store owners and their employees are constantly asked not to "feed the

meters," but to park in village lots and walk a block or two to work.

Siegmeier's letter said results of a Chamber questionnaire

Editorial

On Page 4

president, in a letter distributed to Mayor Robert C. Wilton and the six village trustees.

The trustees decided not to take down the parking meters on Main, Lake and Broadway streets until the situation has been discussed with the Chamber and the police department.

TAKING SHAPE - "Looking good" is the way you might describe the new Ace Hardware store being built at Routes 173 and 59 in Antioch. The store is expected to be completed and open for business by September. Dave Bushing, manager

of the Foremost Liquor Store in Orchard Plaza, said his firm will be taking over Ace Hardware's present location in the plaza. There is no definite word so far on who will move into the Foremost Liquor store.

allocated for the improvement and development of the Chain of Lakes-Fox River area.

"I am sure that you are fully aware of the great economic importance this tremendous natural resource has in relation to our community.

"Being more specific ... the Antioch, Lake Villa and Fox

Lake chambers committed themselves to underwriting the cost of serving a barbeque for a possible 400 people at the Harbor on Bluff Lake.

"Prior to the dinner, a donated floatilla of boats has been assembled to provide a tour of the chain for the representatives and senators present. The understanding and information these people take

away with them concerning the Chain of Lakes area and our community depends greatly upon the presentation we make.

"It is imperative that we do the best possible job and to accomplish this, we need special and emergency funding. Won't you please do what you can to help by remitting a check payable to the Antioch Chamber of Commerce and Industry?"

"Remember," Siegmeier concluded "our area may never have another situation develop, such as this, and your support is imperative. All funds should be in the Chamber office by Saturday, if possible.

THE ANTIOCH JAYCEES completed their annual and friendly "Highway Hold-Up" last Saturday, giving Tootsie Rolls to motorists and their families who dropped coins or bills into the cannisters. Helping out at the corner of Lake and Main streets was Nancy Kinas, wife of Paul Kinas, the Jaycees' president. The money will be used here in Antioch in the Jaycees' youth program.

Lions Plan Aug. 18 Fun

The annual Antioch Lions Club sports outing has been scheduled for Wednesday, Aug. 18, at Abbey Springs in Fontana, on the west side of Lake Geneva.

In addition to the traditional golf outing, there will be recreation for those who like tennis, handball and fishing.

Merchants Want Parking Meters

Continued from page 1

indicate:

- Retention of meter parking is favored almost 3 to 1.
- Stiffer fines for violation of meter parking are favored by 32 merchants as opposed to 9 who would have the fine remain at \$1.
- The majority felt that fines should be \$2.
- The maximum fine suggested was \$15.
- Thirty-five merchants favored issuing a "courtesy ticket" for the first violation during the day. Six opposed the suggestion.

Trustee Mike Haley said:

"I think the merchants are more concerned about enforcement than whether or not we have meters or signs."

IN OTHER action at Monday night's village board meeting:

- Hired Richard Stroner as the village's assistant building inspector, at an annual salary of \$12,000.

- Accepted the bid of the Layne-Western Co. of Aurora to test for well water on land near the Advertiser's building on Rt. 173. The village wants to build a new well there. The cost of the

testing for proper water will be \$1,540.

- Decided to donate \$100 to the Antioch High School band for its trip this weekend to the Minneapolis Aquatennial parade. Band Director John Olisar sent the board a letter, asking for help in buying meals for the band members.

- Reported that the cyclone fence which will surround Jensen Park will be going up soon.

Trustee Arnold Weber reported that a public hearing on the proposed village sign ordinance will be held at 7:30 p.m. on Tuesday, Aug. 3, by the zoning board of appeals.

On a motion by Haley, the trustees decided to spend \$3,745 to purchase TV equipment from the O'Brien Rodding Co. The camera is used for inspecting sewer jobs and the total price is almost \$11,000. The village has been renting it since 1974 and has paid about 75 percent of the total price. The rental fees can be used toward the purchase price.

The village board will meet again next Monday at 8 p.m. Committee meetings are scheduled for 7 p.m. on Monday, July 26.

Along the way with ANNIE MAE

Hear tell that Ken Smouse of Antioch and his son, Jerry, are appearing at Woodfield Mall this week.

They'll be there through Sunday with their Bicentennial Time Machine show, featuring Professor Stephens (Ken) and Weber Wabbit (a puppet manipulated by Jerry).

It is part of their six-week tour and an extremely hilarious piece of entertainment. Since it's close by, Antioch folks ought to drive down and see it.

Wouldn't it be great if the Smouses could stage the show for the general public in Antioch at the end of their midwestern tour?

We saw it during rehearsal on their front lawn and it was terrific.

CONGRATULATIONS again to the Ipsen family of Antioch! Lee and Gert, of Ipsen's Village Cleaners, became grandparents for the fourth time last Wednesday when little Loren Marshall Ipsen was born to their son, Lon, and his wife, Linda. Lon and Linda live in Little Rock, Ark.

Just six days earlier their son Brad and his wife Ellen, who live in Antioch, were blessed with a little boy named Kent.

Lee and Gert's daughter, Christine, who lives in Utah, has two sons. That's four grandsons for the Ipsens but no granddaughters yet.

Grandpa Lee is a scoutmaster, of course, and Gert says: "I think he's going to start his own new troop."

IT'S ANOTHER baby girl for Joe and Jeannine Leonhart of Oakwood Knolls.

Jayne Joy arrived last Wednesday, on 7-7-76. She's home now with her "big sister," 15-month-old Jennifer. The grandparents are Antioch's Arnold and Mabel Lou Weber, and Ann Leonhart, who lives in Chicago but is building a home in Oakwood Knolls and will be moving here soon.

After all, it's a grandmother's job to help spoil the little girls.

Squad Has Made 401 Calls

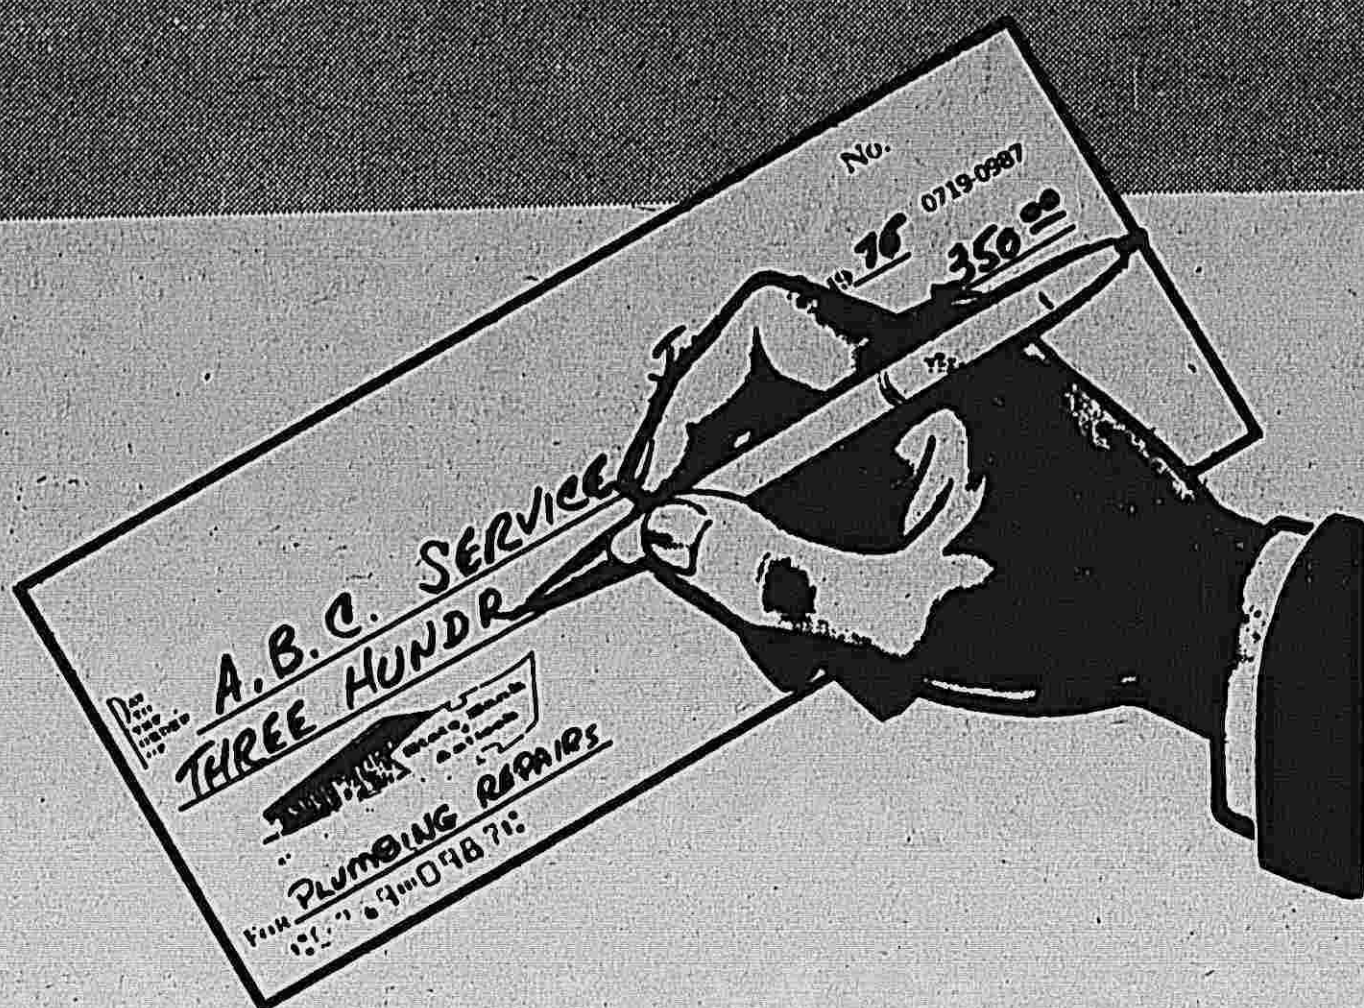

The Antioch Rescue Squad made a total of 54 calls in the last two weeks.

That raised their total for the year past the 400 mark ... to 401, to be exact.

Most of the calls were to administer first aid, as usual, and in 30 of the 54 cases the Antioch volunteers had to take accident victims to area hospitals.

As expected, Sunday, July 4, was a busy day - the siren calling out the rescue squad nine times, twice to assist Lake Villa.

On Monday, July 5, the Antioch squad made a total of seven runs three of them to St. Therese hospital in Waukegan.

Check - N - Charge

The Modern Personal Credit Service...

that puts money at your pen-point ... whenever and wherever you need it - for whatever reason. No special checks or separate loan applications are required each time you need extra money. All you need are the checks from your FREE State Bank of Antioch Personal Checking Account.

First, you establish a CHECK-N-CHARGE line of credit at the State Bank of Antioch. Upon the bank's approval of your application, we will help you decide what your CHECK-N-CHARGE credit line should be, ranging from \$500 to as much as \$5000. Then, whenever you need more money than you have in your checking account, you just write a check to create your own loan for the exact amount you need

- Extra money when you need it
- No cost until you use it
- Only one application
- No special checks
- No worries about overdrawing your account
- Completely confidential

To apply for CHECK-N-CHARGE you may visit our bank offices at your convenience, or call 395-2700 and we will mail you an application.

"Serving the Lakes Region Since 1894"

The Town Crier

A man came into the Antioch News office Monday and renewed his subscription, saying he was breaking a promise he had made to himself.

He said something about never subscribing to this newspaper again because, in our Mar. 10 issue, we endorsed Ronald Reagan for President of the United States.

He found that very upsetting and said, "This is Ford country."

Unfortunately, we didn't get a chance to talk with him. But if one small story is enough to turn a person against a newspaper, then we don't really want that subscription. You can't please everybody with every story and, gosh, there must be 100 other good reasons why, a resident of Antioch would want to read the Antioch News.

We think Gerald Ford will win the Republican nomination and we hope he beats Jimmy Carter in the fall. We like Gerald Ford. He has been a good and honest man, both as a Congressman and as President.

But we also like the things Reagan stands for. He is dedicated to stopping further inflation, not just slowing it

down. He is dedicated to cutting back the huge Washington bureaucracy instead of just leaving it alone. As governor of California he held down the cost and growth of government with a firm hand. He stood toe-to-toe with a big-spending legislature and won his cause instead of compromising it.

Counting delegates, it also seems that Reagan has as many Republicans behind him as Ford has behind him.

The voters of this country made a terrible mistake in 1964 when they elected Lyndon Johnson in a landslide over Barry Goldwater. They are capable of making such a mistake again. Reagan probably couldn't beat Carter. Maybe President Ford can.

IF YOUR first name or nickname is a short one, you will have a better chance of receiving some number in a three-letter combination on your 1977 license plate.

Secretary of State Michael J. Howlett said that plates with 90 identifying names will be manufactured with 999 digits, the maximum for all three-letter plates.

The list includes combinations such as AMY, ANN, BEA, BEN, BEV, BOB, BUB, BUD, DAN, DAV, DEB, DEE, DEL, DON, DOT, EDY, EVA, EVE, FAY, FLO, GEO, GIL, GUS, GUY, HAL, IDA, IKE, IRA, IRV, IVY, JAN, JAS, JAY, JEB, JED, JEF and JIM.

Also, JOE, JON, JOY, JUD, Please turn to page 5

Editorial Comment

The Parking Problem

It's ironic, but the fact that Antioch is an outstanding small town has led to the creation of two monsters. Traffic problems and parking problems.

People are coming here to shop, which is desirable, but during the busy shopping hours it's irritating to drive or try to find parking in the downtown area.

Luckily, we have intelligent community leaders. (We say "luckily" because we've known some of the leaders of other communities.)

Antioch's elected village officials, business leaders and the police department aren't pointing the blame at each other. Instead, they're sitting down and trying to solve the problems.

THEY AREN'T GOING to be easy to solve. Our planning and zoning groups have ideas for helping the traffic flow, and these will become realities as soon as possible.

The parking problem on Main and Lake streets is now a matter of concern. Whether or not the parking meters are removed, a crackdown on overtime parking appears to be a must.

But, don't forget, that costs money. Should an \$11,000 patrolman be checking parking violations all day, or should his time be spent trying to curb the growing vandalism and crime that is sweeping all communities? Should he be trying to collect \$1 parking fines or stopping the life-endangering kids who speed around in their cars, drinking beer or smoking marijuana.

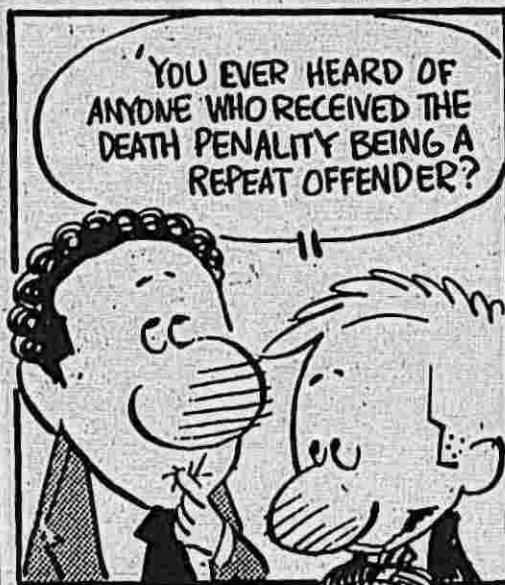

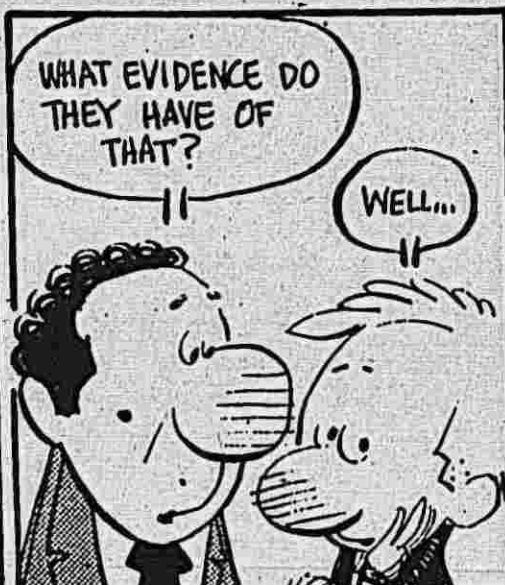

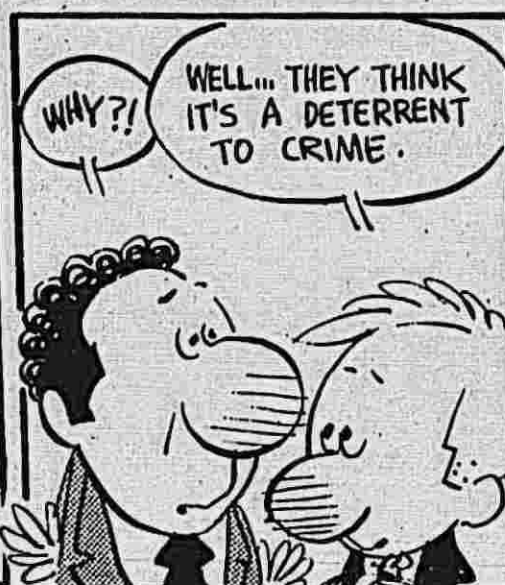

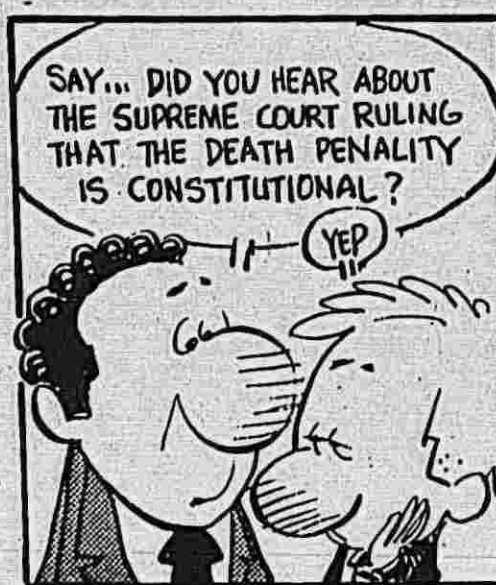

Maybe the police department should be allowed to hire another woman, who could work part-time as a meter maid and dispatcher. Certainly, parking fines should be higher. It costs more money to collect a \$1 fine than it's worth, especially when the violator doesn't walk into the police station and pay. It also costs money to repair broken meters and replace the ones that kids are stealing.

STORE OWNERS DEFINITELY must do some of their own policing. They and their employees must park in the village lots, not in front of their stores. As businessman Bill Patterson said at Monday night's village board meeting: "Those parking spaces are precious."

More and roomier lots are needed. There are shopping centers going up on the outskirts of the village. Some downtown landlords are not making it pleasant for businessmen to stay on Main St.

These aren't exactly cheerful thoughts, but nothing good ever came easy. And, fortunately, Antioch has the kind of leadership and community spirit to deal harmoniously with problems ... and turn bad situations into good ones.

Democrats' Golf Day

"Summertime, and the livin' is easy."

It's also the time when golf and political campaigning are in full swing. The Antioch Democratic Club is sponsoring a golf outing and dinner on Wednesday, July 21, at the Antioch Country Club on Rt. 59 and Grass Lake Rd.

Among the special guests will be Grace Mary and Herbert "Hub" Stern and candidate for representative for the 32nd district, Marlene Damato. Other candidates and office-holders will also be hitting the fairways and the delicious fare that follows.

"You, too, can be a winner in this election year. Trophies will be awarded to the man and woman with low scores," said Frank ReCupido, chairman. Tee-off times begin at 8 a.m. Dinner is at 7:30 p.m.

"Everyone is invited. For reservations call 395-5074 or 395-7150," ReCupido said.

Commentary

How About Ability?

Illinois Senate Democrats, acting on the ill-conceived advice of the Illinois Education Association, have thrown young teachers to the wolves.

An amendment attached to the hard-fought compromise bill for school aid requires that teacher lay-offs be made strictly on the basis of seniority.

Heretofore, school districts with declining enrollments could reduce the number of teaching positions by retaining those teachers with the best qualifications for each assignment.

Seniority is necessarily one qualification - but only one. More important are such vital qualifications as experience in other school districts, subject-matter specialization, and performance appraisals.

In addition to jeopardizing instructional quality, this amendment endangers the schools' chances of equitable funding for 1976-77 and makes it increasingly impossible for school boards and administrators to operate their school districts with sound management policies.

Citizens across this state should tell the General Assembly to stop making decisions which ought to be made at the local level, and to stop using the advice of teacher unions to make school management decisions.

County Fair's 4-H Events Begin Tonight

Big happenings are in store for all who attend the 1976 edition of the annual Lake County Fair and 4-H Show, according to 4-H Advisers Dorothy Shoemaker and Bill Messerschmidt.

"The 4-H staff can already sense the excitement building up among the 4-H members and volunteer leaders in the county," Messerschmidt said. "It will all come to a peak on Wednesday, July 28, when at 11 a.m. the fairgates open to welcome thousands of fun seekers."

Messerschmidt and Ms. Shoemaker emphasized that several pre-fair 4-H shows will be open to the public. All are a part of the County Fair competition and are free of charge.

Beginning tonight (Wednesday), the 4-H Cat Care show starts at 7 p.m., in building No. 7 on the fairgrounds.

On Friday, the 4-H Dog Obedience and Grooming show takes place at 8 a.m. in building No. 7.

Foods and clothing enthusiasts can attend the 4-H Foods Demonstration Contest on Tuesday, July 20, at 9 a.m. in the Lake County Cooperative Extension Service on Rt. 45 in front of the fairgrounds.

A style show of homemade 4-H clothing garments will be held Friday, July 23, at 8 p.m. in the Lake County Farm Bureau

Auditorium. It is also on Rt. 45 in front of the fairgrounds.

THEN THE County Fair itself takes the spotlight on Wednesday, July 28, featuring "4-H Day." The variety ranges from horses to gun safety. At 8 a.m. 4-H equestrians show off their talents in the 4-H Western Pony Show at the horse arena.

Back at the 4-H Exhibit building, food judging begins at 9 a.m. with a bake sale following.

Also at 9 a.m., 4-H Dairy and Sheep judging begins at the livestock show tent.

Judging in 4-H Beef, Swine, Poultry, Flower Gardening, Fruits and Vegetables, Family Gardening, Crops and Home Grounds Improvement will start at 10 a.m. in their respective areas.

The 4-H information booth staff will assist fairgoers in locating the various exhibits.

Other features include midway rides and attractions, horse and tractor pulling, the crowning of Lake County's Fair Queen; town and country music, rodeos, a livestock parade and commercial exhibits.

Fair Queen Entries Will Close Thursday

Who will be the queen of the 1976 Lake County Fair?

The fair association is looking for candidates to succeed Mary Kay Kriese, the 1975 queen.

This year's "Miss Lake County Fair" will receive a \$500 scholarship from the association. She can use the money to attend the college of her choice.

A trophy and gifts also will be presented.

Candidates must be Lake County residents, single, from 16 to 20 years of age and enter by Thursday of this week.

Entries are being received by Richard Raftis at the Lake County Farm Bureau in Grayslake. His phone number is 223-4861.

"CAROUSEL"

474 ORCHARD ST.
ANTIOCH SHOPPING PLAZA

The Time Machine

70 YEARS AGO: JULY 12, 1906

The village of Wauconda on Saturday night came close to being wiped from the map by a fire which, for a time, gave every promise of assuming large proportions, and which was stopped only with great difficulty.

"Help! Help! I'm falling!" Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor, and the hair was saved. Made by J.C. Ayer Co., Lowell, Mass.

50 YEARS AGO: JULY 15, 1926

After patiently waiting up nights for the return of the parties who continued to remove gasoline from the 100 gallon tank owned by Nason Sibley on Victoria St., Mr. Sibley's home-made burglar alarm proved satisfactory last Friday night. He proceeded at once with a shotgun and saw two men or boys carrying a can. Sibley let go with two shots in the air and parties made a fast getaway in a car. Mr. Sibley notified Sheriff Rosing, who is investigating.

Work has begun on two tennis courts at the grade school and they will be first class in every particular. Anyone wishing to use the courts and rackets can do so by registering and paying \$1 to Mr. S.B. Nelson or J.W. McGee.

20 YEARS AGO: JULY 12, 1956

On the ability of Antioch Township High School and the village to obtain permission to construct an underpass beneath the Soo Line tracks will rest the plan for the school's enlarged athletic program and a new street connecting Ida Ave. and Rte 173 east of the railroad.

Luncheon meat is the big bargain at the super market this week. Choose from cooked salami, pickle pimento, olive loaf or thuringer: 8-oz. pkg. sliced, 29 cents.

10 YEARS AGO: JULY 14, 1966

Clifton Houghton, principal of Oakland Grade School since 1958, has resigned from the Antioch School system to accept a position as superintendent of the Forreston, Ill., Grade School District. Harold Romaine has been employed to fill the vacancy.

Wrigley's gum, refreshing and delicious, is bargain-priced at 69c per 20-pack box.

- The Hudson Tubes (subway trains running from New York City to Newark, N.J.) in 1909 designated certain cars as "For Women Only." The service, however, was discontinued after three months when it was reported that most women avoided the segregated cars in order to ride with the men.

Lions' Picnic Set for Aug. 1

The annual Farmers Picnic, Chicken Barbeque and Auction will be held by the Antioch Lions Club on Sunday, Aug. 1.

The event is scheduled for the area of the Aqua Center and Aug. 8 has been designated as a rain date.

Ticket chairman Warren Polley said the picnic will last from 11 a.m. to 6 p.m. with a donation of \$2.25 per plate.

Lions Club members are selling tickets and those who run out can obtain more tickets from Mr. Polley at the high school, or at either of the Antioch banks.

Proceeds of the annual auction will be given to the Antioch Rescue Squad.

Games for children will be held at the Little League field and there also will be a mock Revolutionary War battle between groups of "Redcoats" and "Minutemen" from the Joliet area.

The groups use the weapons and battle maneuvers of 200 years ago.

AUCTION ITEMS are needed for the event, which annually

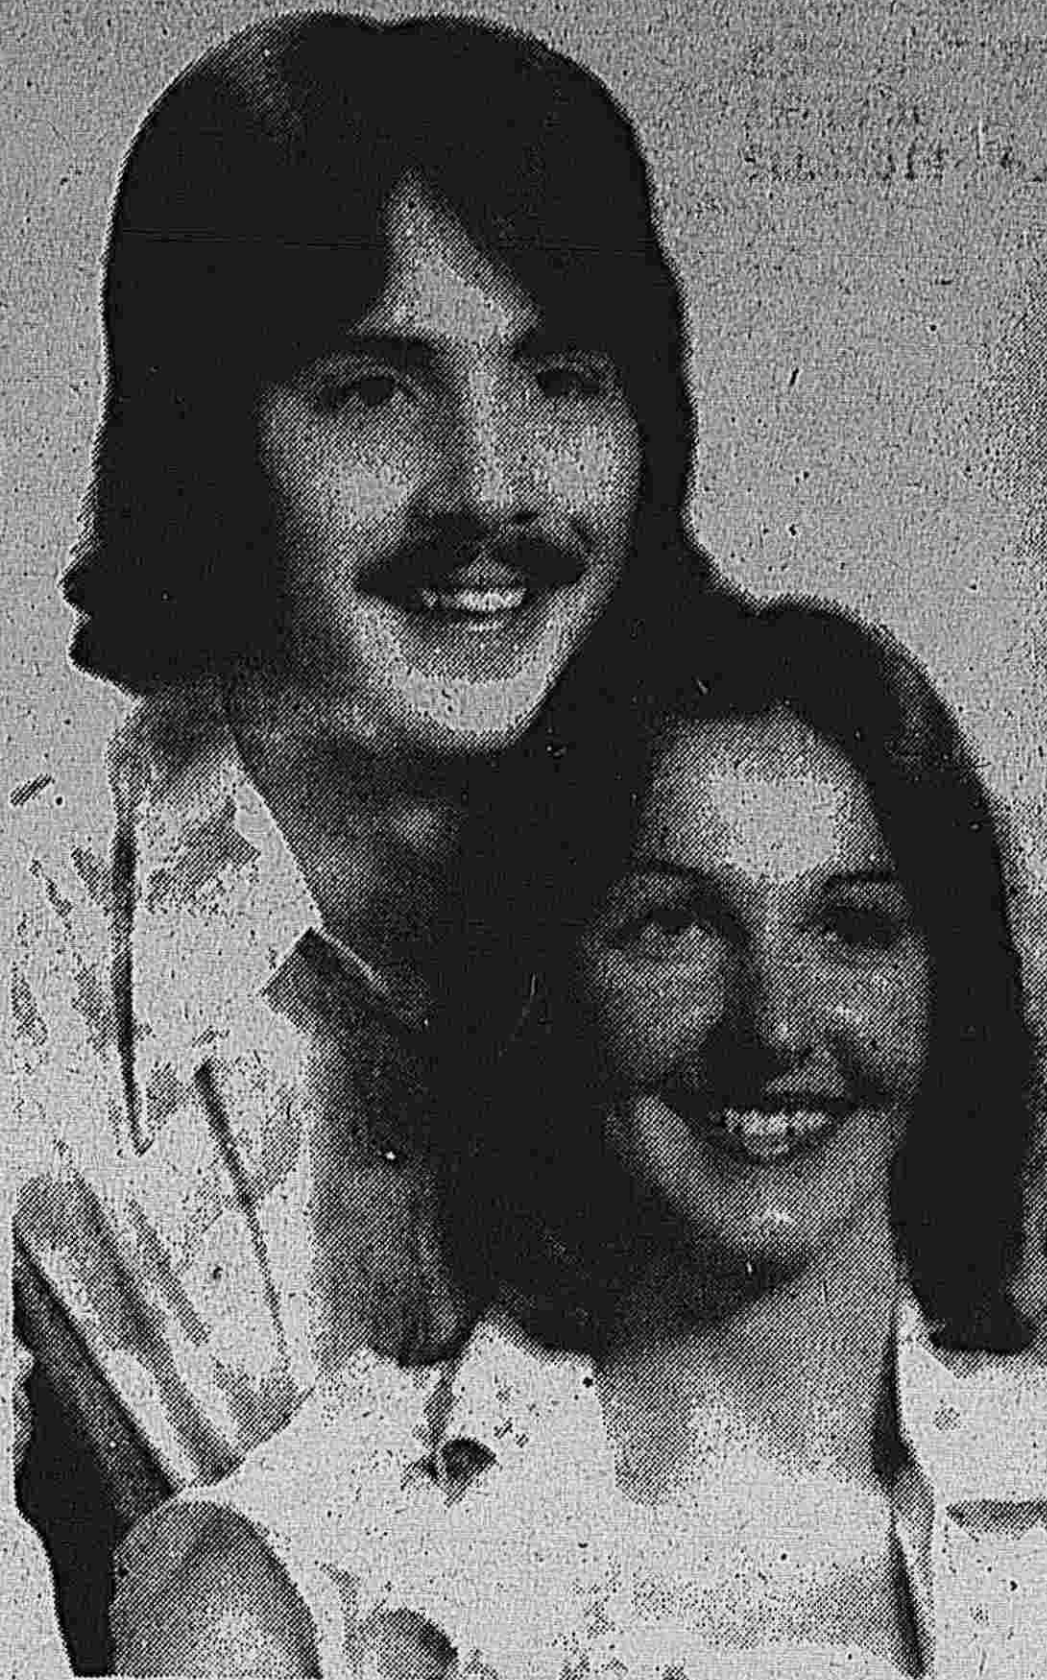

attracts a couple thousand people to Williams Park, just west of Main St.

Residents of the area have been asked to search their garages, attics, basements, sheds and barns for items they might donate to the Lions Club.

Persons with auction items who would like to help raise money for the Rescue Squad

can call the village hall, 395-1000.

The farmer's auction is directed by Herman Behm, a professional auctioneer. Behm said that examples of items he'd like to see donated are sporting goods, automobiles, auto accessories, boats, motors, lawn and garden equipment, art objects, antiques and other items that may be of reasonable value.

DONALD LONG and MADELYN HALLETT

Plan September Wedding

Madelyn Hallett and Donald Long, both of Antioch, are planning a Saturday, Sept. 4, wedding at St. Peter's Catholic Church.

Madelyn is the daughter of Mr. and Mrs. Charles Hallett of Lake Catherine, Antioch. Donald's parents are Mr. and Mrs. Richard Long of Phoenix, Ariz.

Both are graduates of Antioch High School. Madelyn attended Barat College and the College of Lake County. Donald currently attends CLC and works for the Metropolitan Warehouse and Development Corp.

Madelyn is a dental assistant in Grayslake.

They plan a garden reception at the home of the bride.

Weather Converting To Metric

Chicago (NFS) — When the United States switches to the metric system, such terms as Celsius and millibars will become commonly used and commonly understood.

Springfield Instrument Company, Hackensack, N.J., a leading maker of weather instruments, is helping to bring understanding to those terms right now. Springfield is the first company in its industry to convert all its weather instruments to show both the metric system readings and the conventional readings we are used to seeing.

Thermometers tell the temperature in Celsius readings as well as Fahrenheit. Barometer readings are shown in both inches of pressure, the conventional U.S. system, and in metric's millibars.

SINCE BOTH readings are shown on the same instruments at the same time, users of Springfield instruments will become familiar with Celsius and with millibar readings.

Springfield makes indoor and outdoor thermometers; wall and desk-top weather stations with barometers, thermometers and relative humidity indicators; and a variety of kitchen thermometers, such as meat, candy, oven, and refrigerator thermometers.

Perform a death-defying act.

Have regular medical check-ups.

Seeks Increase

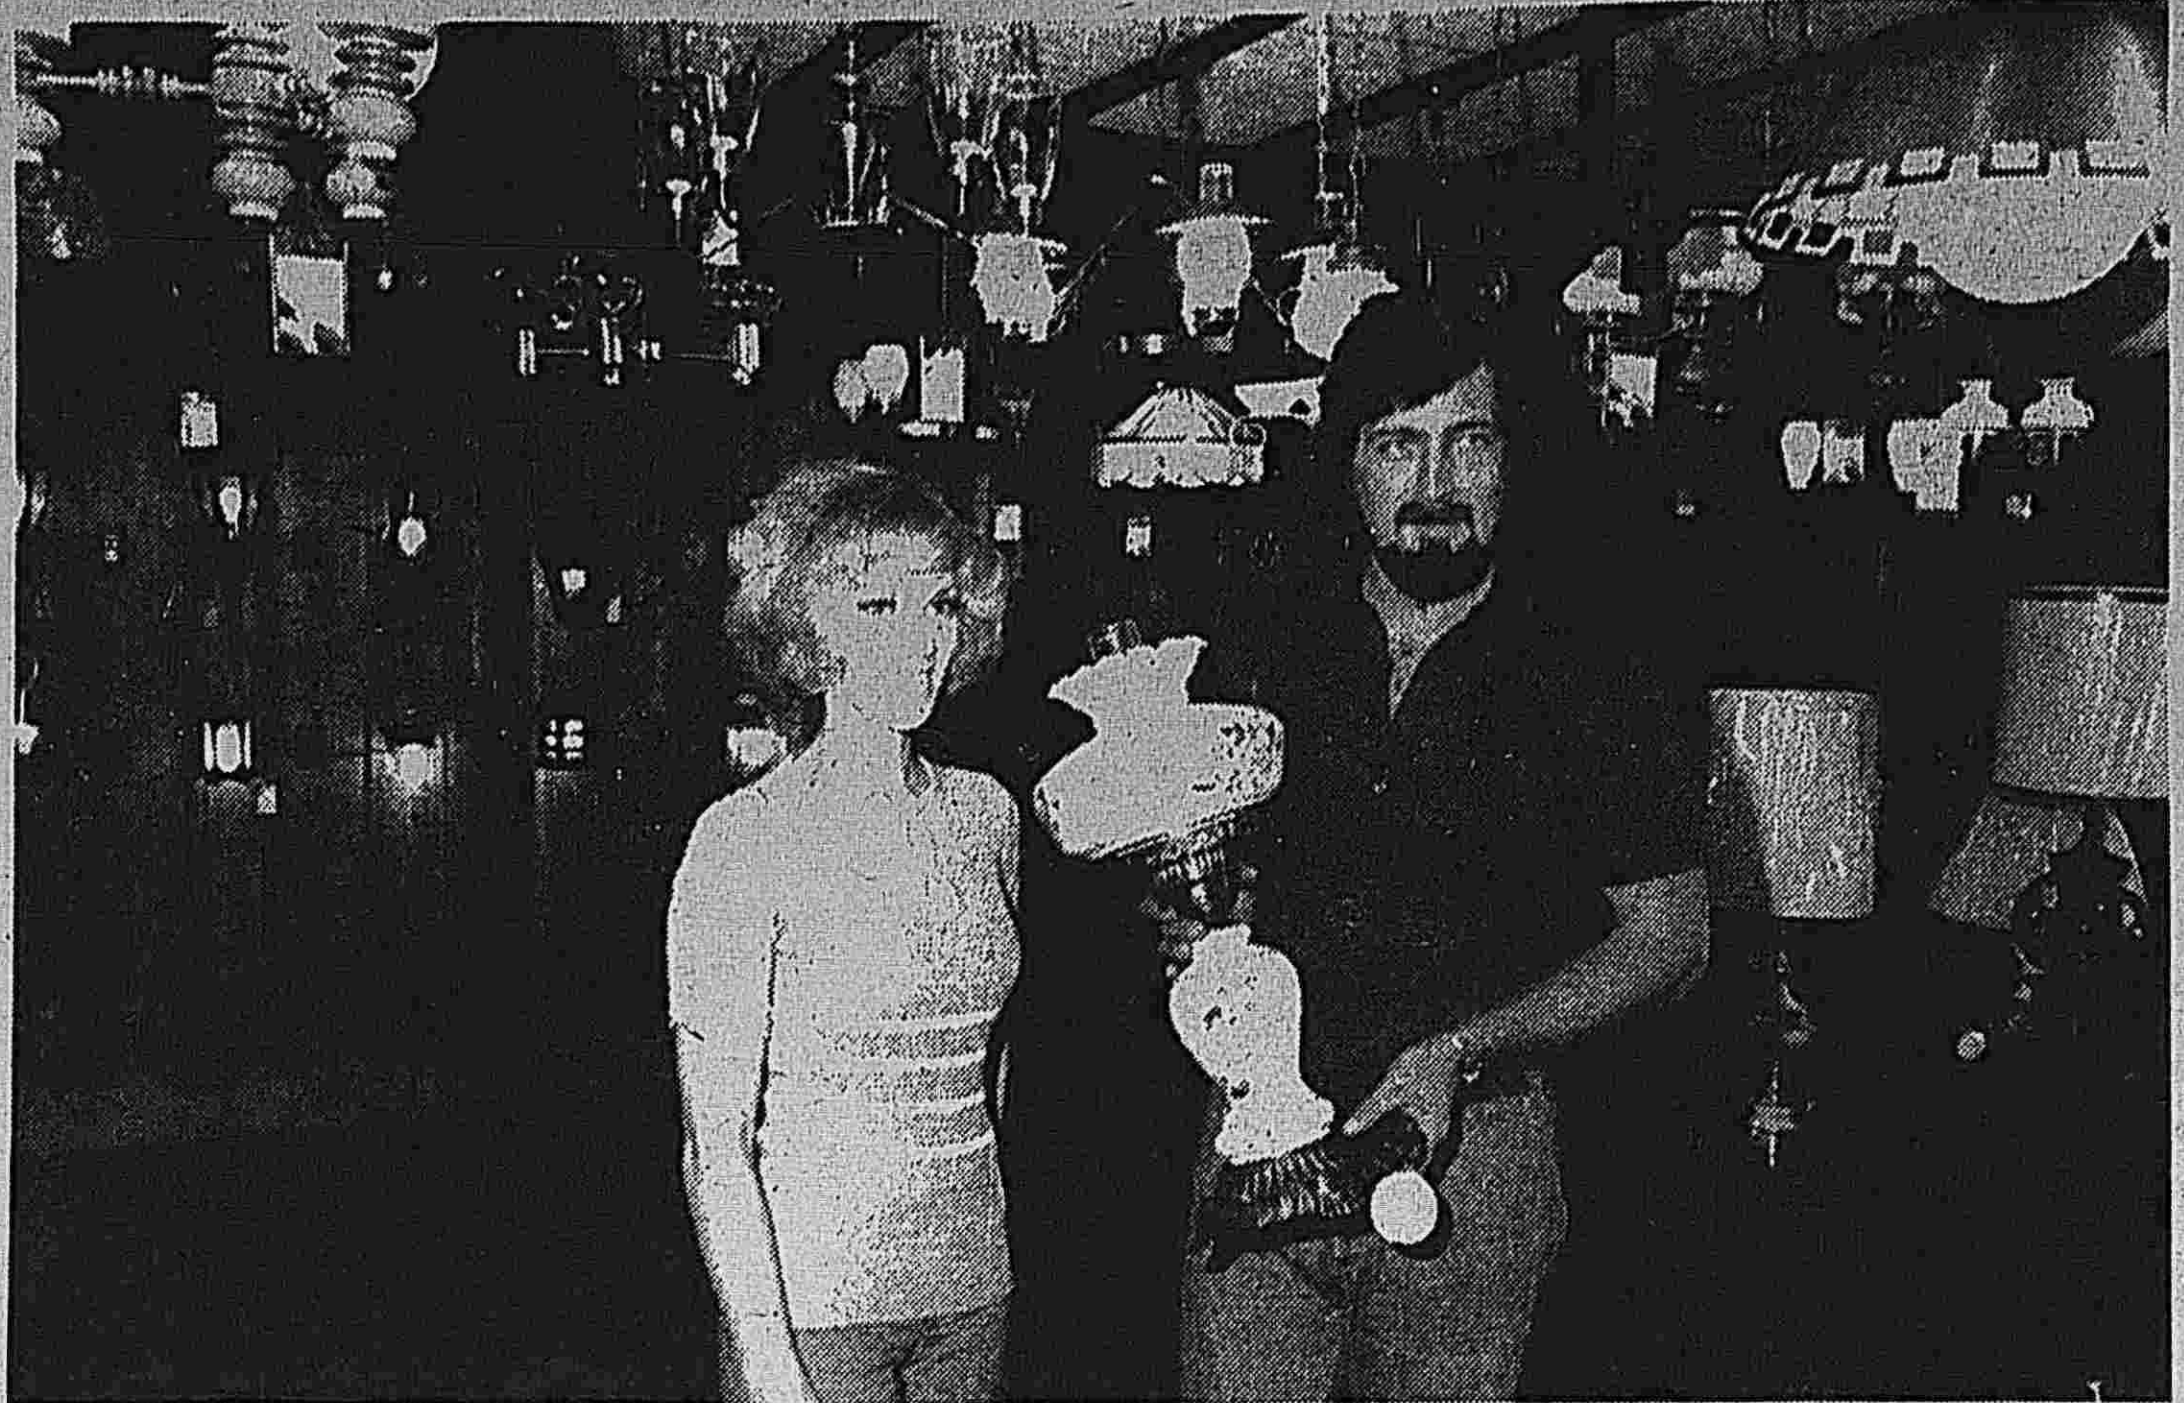

Illinois Bell has asked the Illinois Commerce Commission for a 6 percent increase in revenues.

"We have repeatedly said that a rate request would be inevitable as a result of the woefully inadequate ICC decision five months ago which granted us little more than a third of the amount needed to sustain reliable phone service," said James Olson, Illinois Bell president.

"That relief was too little, too late. Meanwhile, inflation continues to take its toll," Olson said.

The proposed increases would raise revenues about \$110 million, with about half going for taxes. The commission has up to 11 months to make a decision.

"Although the revenue increase would be about 6 percent," Olson said, "most residence bills would go up less than 6 percent because the rate changes would affect mostly those who use a lot of telephone service or who take optional services and equipment."

BEV AND PHIL ADESKO, who have opened the new "Candlelight Galleries" business in Antioch on Rt. 173, show one of their table lamp models.

Some of the chandeliers they feature hang from the ceiling of their bright, modern store.

COACH LIGHT FIXTURES also are featured by Phil and Bev Adesko at Candlelight Galleries, Inc. A grand opening is scheduled the first week in August but residents of the area can drop in

now and register for the chandelier to be given away on Saturday, Aug. 7. An advertisement appears elsewhere in today's Antioch News.

'Candlelight Galleries' Opens Here

"Brighten Up Your Nights" is the catchy, new slogan of the community's newest business.

Phil and Bev Adesko have opened Candlelight Galleries, Inc., of Antioch, at 111 Rt. 173 - in the growing shopping center that also includes Antioch Firestone and the Kodiak sportsman's store.

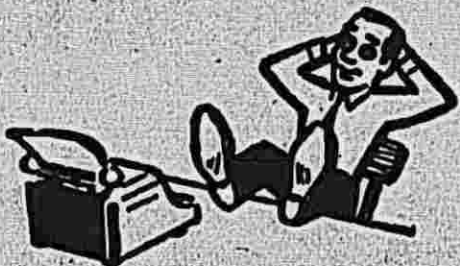

Candlelight Galleries features prestige table lamps, chandeliers, wall lanterns, foyer drops and other lighting fixtures that not only can "Brighten Your Nights" but will brighten your day if you walk in and look around.

THE STORE is open Monday through Thursday, and Saturday, from 9 a.m. to 5 p.m., and Fridays from 9 till 9. It is closed on Sundays.

Phil, who also owns Adesko Electric Co., Inc., said that Antioch area residents are invited to come in now and register for the beautiful chandelier that will be given away on Saturday, Aug. 7. Although the store already has opened, a special "Grand Opening" is planned the first week in August.

the Pfarr Corner

By JERRY PFARR

Whenever I want to talk with village trustee Mike Haley, I don't pick up the telephone and dial his number.

I simply park my car in front of our office on Main St.

That's the signal. Mike sees the car, and comes in and reminds me that businessmen shouldn't park in front of their stores. Then I get to ask him whatever question of village importance is on my mind.

(If you see Mike, don't tell him this secret method I have of getting hold of him.)

A Belvidere, Ill., woman probably doesn't appreciate it, but it's encouraging to us to know that Antioch's young baseball players are hitting the ball harder.

The woman was driving on Rt. 173, near the high school field, when a ball came flying over the fence, bounced off the road and smashed into her windshield, shattering it.

Fortunately, insurance man Dick Witt was the manager of the baseball team ... and the woman was assured her insurance will cover the damage.

A FATHER, making sure his daughter was having fun, swung her faster and faster on a small "merry-go-round" at a local playground. Finally the speed and excitement was almost too much and the little girl yelled:

"Gee, Daddy, I'm not the bionic woman, you know!"

WE CAN'T mention his name, but we hear a not-too-handsome young Antioch man proposed marriage with the apology:

"I know I'm not much to look at."

"That's all right," replied the young lady. "You'll be at the office most of the time anyway."

It is not of so much consequence what you say, as how you say it. ALEXANDER SMITH

Visual Advantage

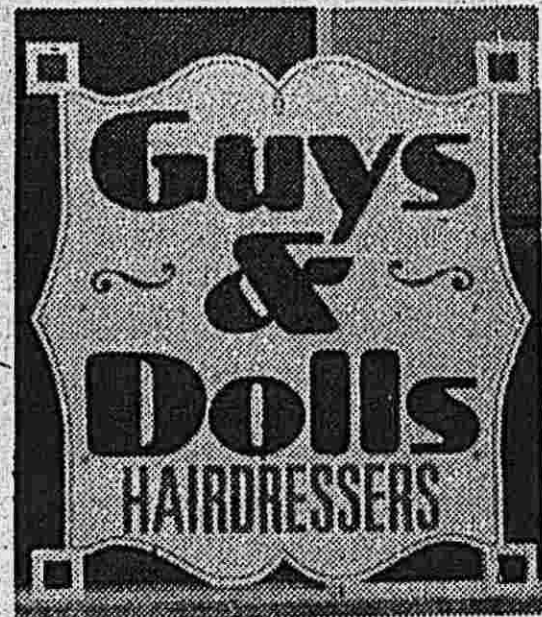

Like many other sports, tennis takes concentration and coordination. Earn an advantage before you get on the courts. Contact lenses offer greater peripheral vision than glasses. Dr. Robert A. Koetting, contact lens chairman of the American Optometric Association says: "Athletes may be particularly satisfied with soft contact lenses because there are minimal problems with dust floating under the lenses while they are worn or with them popping off. And, when you

"SOME OF the many manufacturers we represent include Lite-Trend, Framburg, Brighton, and Halo Lighting Division," Phil said. We will carry a line of inter-com systems and also range-exhaust fans."

Phil also specializes in rewiring antique fixtures.

The items at Candlelight Galleries will be of interest to contractors, builders and developers.

perspire, there is no problem with fogging lenses."

IT WAS A SWELTERING DAY Sunday, but persons attending Antioch's Art Fair could feel a little cooler by getting up close to this winter scene painted by Dave Lucas of Zion.

Kakacek Third In Illinois Wrestling Meet

Antioch's John Kakacek placed third in the Illinois State Freestyle wrestling championships at 143 lbs.

The championships, held at Bolingbrook, attracted 200 of the best high school freestylers in Illinois.

John's only loss came to Addison Trails' Ralph Cortez in the Semifinals. Cortez placed second in the Illinois High School championships in March.

Freestyle wrestling is the international style of wrestling that will be featured in the Olympics. It is different than the style wrestled in high school and requires the wrestler to be more aggressive.

John's preparation for the tournament came from attending the Olympic team training camp in May and wrestling in 10 tournaments and more than 50 matches.

Kakacek is now qualified to wrestle in the United States Wrestling Federation national championships July 22-24. The qualifiers will report to the University of Illinois this Sunday for a training camp in preparation for the nationals.

John's father, Johnny Kakacek, is superintendent of the Emmons school district and a part-time professional wrestler. In college, he played football and wrestled for Marquette University.

Young John's grandfather, Jim McMillen, was a famous professional wrestler, football player and later Antioch's mayor.

Lake Villa Fireworks Called 'Huge Success'

Lake Villa's Fourth of July fireworks were a "huge success," according to James Dalgaard, president of the Lake Villa Chamber of Commerce.

He is thanking all who helped make "this year's fireworks display such a success. The many persons who attended helped make 1976 the best year yet," Dalgaard said.

Winners of cash prizes were: first prize, \$100 - George Haake of Lake Villa; second prize, \$50 - Mr. Zurtanne of Lake Villa, and third prize, \$25 - Gerald Konitzer, son of Lake Villa's librarian.

Charlotte Wagner and Barbara Knitzer, co-chairmen of the museum, felt that the many people who visited during the day enjoyed the exhibits and historical items displayed.

"Special thanks go to Hal Trychta of Lake Villa for the musical instruments, Richard Matsie for the photos, Allendale School for the pictures and books, and to Charlotte and Barbara for putting it all together," Dalgaard said.

He also expressed his appreciation to Jan and Elwood Kapischke and their children, and George Haake for running the concession stand and the following Chamber members who helped sell tickets at the park:

Edith and Nick Baldissano, Gary Parisi, Gloria Hopkins, Nick Baldissano Jr., Mr. and Mrs. Ron Gengel, Al Toomey, George Zanke, Mr. and Mrs. Dennis McIerney, and Julie Trychta.

Also non-chamber members Roy and Sandy Prouty, Les Hamlin, the Lake Villa Fire Department, the Lake Villa Police Department, the Lake Villa Rescue Squad, and Jim Wittenberg.

"Any profit from this year's fireworks will help to defray the

cost of next year's display. Your support is necessary for the

Chamber to continue this event," Dalgaard said.

THE EARLIEST TRANSATLANTIC WIRELESS SIGNAL WAS RECEIVED BY GUGLIELMO MARCONI, THE FATHER OF RADIO, ON DEC. 11, 1901, IN FOLDHU, ENGLAND. THE MESSAGE WAS THE LETTER 'S' IN MORSE CODE. IT HAD TRAVELLED ALL THE WAY FROM ST. JOHN'S, NEWFOUNDLAND, CANADA!

FUN FOR THE KIDS!

GAMES -- RACES -- PRIZES

FURNITURE CLINIC

By JANET MILLER

Hi and welcome back! I'm sure that after reading last week's entry, you all rushed toward the back of the paper, seeking out the "choicest" garage sales so you could find your "masterpiece-to-be."

After the heat and humidity of last week, you can consider yourself on the road to becoming a "professional stripper" if you started work on your project. At least we separated the "men from the boys!"

Now, on to problems in the mail:

Q. IT SEEMS TO ME THAT THE SAMPLE COLOR OF STAIN ON THE CAN IS DIFFERENT THAN THE COLOR AFTER IT IS APPLIED TO THE WOOD. DO DIFFERENT WOODS (PINE, OAK, MAPLE) TAKE THE TINT IN THE STAIN DIFFERENTLY? IF SO, HOW DO YOU KNOW WHAT COLOR YOUR PARTICULAR PIECE OF FURNITURE WILL TURN OUT?

A. Yes, different woods accept pigment at different rates and degrees. The softer woods

such as pine, tend to act as a "sponge." In other words, they absorb the color quickly so, therefore, the color is deeper

and probably closer to the color shown on the can. In harder woods, the fibers are closer together, making it harder for the pigment to penetrate these fine pores. This results in a lighter shade than may be indicated by the sample color on the can. If a darker shade is desired, a second coat of stain will usually remedy the situation. When staining hardwoods (walnut, maple, etc.) look for the liquid, brush-on variety, as they tend to do an adequate job the first time around. If you are in doubt as to what exactly you are dealing with, try a little of the stain in an out-of-the-way place (somewhere that only the dog can see!).

Q. WHAT IS THE SECRET TO GETTING A BUBBLE-FREE FINISH WHEN USING VARNISH? I HAVE BEEN TOLD THAT "FLOWING" IT ON IS THE BEST WAY. D.B. Grayslake

A. Using my experience in working with varnish, I have found that flowing it on is baloney. This works best for me: Thin the varnish with one part mineral spirits to seven parts varnish, then, brush it on hard over the whole surface, really rubbing it in and making sure it is going on evenly. Finally, quickly smooth it over, first across, then with the grain. You are done, leave it alone and it will level out very nicely. And that is the "unvarnished" truth!

This week's "household hint" is, when your husband makes a water ring on a piece of your furniture, don't grind out his cigar on his forehead; dunk it in his drink and then rub the wet ashes over the mark. If that doesn't work, lightly pat with a

PAINTINGS AND "CRAZY PUPPETS" were the creations of Jane Vallumstad of Lake Villa. With 160 entries, the success of Sunday's Chamber of Commerce Art Fair in Antioch made it almost a certainty that a fifth annual show will be held next July.

cloth dampened with ammonia. (I would probably use his shorts.)

THANK YOU for your questions. Keep sending them to the "Furniture Clinic," care of the Antioch News, P.O. Box S, Antioch, Illinois 60002. See you next week.

Keep your piano free from dampness, away from steam pipes or stoves, and out of drafts.

Sharing the ride isn't exactly a new idea.

When Noah heard the stormy outlook for the world, sharing the ride was the only thing that made sense.

Times have changed, but the idea still holds water.

Doubling up can make a big difference. To you. To all of us.

Share the ride with a friend. It sure beats driving alone.

'Colonial Capers' Tryouts to Begin

Tryouts for "Colonial Capers - 76" will be held Thursday, July 15, and Monday, July 19, at 7:30 p.m. at the Antioch Methodist Church.

Singers, dancers, musicians and people willing to help with costuming, sets, lighting, etc., are needed.

"Colonial Capers - 76," written by Dr. Jim Kopriva and Dr. Al Bucar, will be presented by the Antioch Bicentennial Commission on Saturdays, Aug. 21 and 28 at the Antioch Community High School.

The proceeds will be used to help construct the saw mill, a major commission project.

Cotillion Proceeds: \$2,222

Proceeds of the May 15 Cotillion held by the Antioch Mental Health Association were \$2,222.

The report was made by Mrs. Ray Lorenz, the association's president, at its meeting last week.

Plans for a visit to the Grove School for handicapped children were discussed.

The Grove School is a favorite project of the Mental Health Association. Over the years it has equipped the school's therapy room and helped with many of the expenses encountered in operating such a large school.

The visit to Grove School is being planned for early Sept.

PLANS ALSO were discussed for the 1977 Cotillion which will be held in early May. The 1976 Cotillion was held at "The Abbey" in Fontana on Lake Geneva.

A VOTE was taken last week to give Grove School \$5,000 to help in continuing its work in helping handicapped children.

Mrs. Norman Jedele said the Thrift Shop on the corner of Main and Lake streets opened in May of 1967 with a total of \$516 taken in that month. This May, nine years later, the month's receipts were \$1,471.

At the Thrift Shop, shoppers can find clothes for men, women, children and babies; and houseware, jewelry and antiques.

Mrs. Zaida Vos, Mrs. Doris Johnson, and Mrs. Ed Vos, are Thrift Shop managers.

CLC Plans Sunday In the Park

"Sunday in the Park" is the next scheduled College of Lake County Bicentennial Committee activity. The entire program,

free and open to the public, will be held this Sunday on the Grayslake Campus.

A softball game kicks-off the day's events at 1 p.m. A Dixieland jazz band is featured at 2:30 with a barbershop quartet and a sing-a-long following. The Free Street Theatre (singers, dancers and actors from Chicago) entertains

on the main campus lakefront at 4 p.m.

Families can enjoy picnics by supplying their own food and beverages or by purchasing them at refreshment stands manned by CLC student organizations. Hot dogs, potato chips and soda will be sold. Besides the softball game, other games like tug-o-war, a sack race and a hoop 'n stick roll are planned.

PM&L's Summer Musical Looks Like Sure-Fire Fun

Antioch area theater-goers are planning to see "The Pajama Game," PM&L's summer musical.

The production opens at the PM&L Theater, 877 Main St. in Antioch, on Friday, July 30.

Subsequent performances are scheduled for July 31 and Aug. 1, 6, 7 and 8. Curtain time for all performances is 8:30 p.m.

Based on "Pins and Needles" of the 1930s, "The Pajama Game" tells the story of the organization of union labor in the garment industry and the workers' "heroic struggle" for a wage increase of 7½ cents per hour.

The musical production enjoyed a long and successful Broadway run in the 1950s. The book is by George Abbott and Richard Bissell. The rollicking music and lyrics of "The Pajama Game" are by Richard Adler and Jerry Ross.

The PM&L production is directed by Pat Jamison, whom Antioch audiences remember for her outstanding performances in "Fiddler on the Roof" and "The Lion in Winter."

The principal members of the cast are Lou Jones as Sid Sorokin, the superintendent of the pajama factory; Mary Lou Davis as Babe Williams, whose heart is torn between Sorokin and the union; Adam Weise as Vernon Hines, an efficiency expert; Susan Hale as Gladys, his exasperated girlfriend; Dee Baum as Mabel, an office worker; Don Beveroth as the president of the union local; George Blanksten as Myron Hasler, the owner of the Sleep Tite pajama factory; and Frank Di Marco as Max, his crack pajama salesman.

OTHERS IN THE cast include Suzee Elliott, Pam Guarde, Mary Brownell, Larry Bersie, Bill Baum and Todd Seisser. They are accompanied by a singing and dancing chorus paced by a delightful instrumental group, headed by Tracy Teltz at the piano.

Among the reasons for the continuing success and popularity of "The Pajama Game" is the show's sprightly music. It features a number of songs and dances which have never failed to delight audiences. Among the memorable musical numbers in the show are "I'm Not at All in Love," "Once a Year Day," "Steam Heat," "Hernando's Hideaway," and "7½ Cents."

To come out of the theater humming and dancing to these pieces, be sure to call 395-3055 to reserve your seats.

The Kitchen Almanac

Bicentennial Bits — There were few cookbooks in colonial days, and you know why? Few cooks could read.

Most recipes were made from memory or jotted down on paper and passed from cook to cook.

Corn was a basic food in almost every household. While corn bread was popular, it had different names in various parts of the colonies — ashcake, hoeecake, johnnycake or corn pone.

Make delicious Melba toast, finger style. Here's how: cut slices of leftover bread into three vertical strips and lay them on a baking sheet. Let the slices dry out thoroughly. Next, toast until golden brown.

For added flavor brush the toast strips with butter, garlic butter or sprinkle with herbs before toasting. Serve with soups, salads and dips.

And, here's just the dip you might like to try on the

Melba toast strips, vegetable strips and chips. The recipe comes from Mrs. Lois Guither of Urbana, IL.

Mix together: 1 cup mayonnaise, 1 cup sour cream, chopped onions (to taste), parsley flakes, 1 small can of water chestnuts, 1/8 teaspoon salt, 1/4 teaspoon garlic salt, 1/2 teaspoon soy sauce and

1/2 teaspoon Worcestershire sauce.

Season ground beef and shape into patties. Freeze the patties and then use them as needed.

Inflation update: "Two can eat as cheaply as one — if one doesn't eat."

Astro- Analysis

By Sonia

ARIES [March 21-April 19] - Domestic affairs tend to be more demanding than usual. Work on ways to improve home conditions such as shopping for new decor.

TAURUS [April 20-May 20] - You may be inspired to undertake new studies as mental abilities are sharpened. Take care that you don't scatter efforts.

GEMINI [May 21-June 21] - A good time to stabilize career plans and work on perfecting money matters. Keep level headed in business affairs and don't give in to extravagant urges.

CANCER [June 22-July 21] - Success through your own originality can be attained; be outspoken but not impulsive. A winning personality is sure to put you in the limelight.

LEO [July 22-August 21] - Exercise caution when confiding in others; only those who are trustworthy should be included in personal plans. Temporary delays are to be expected.

VIRGO [August 22-September 22] - With favorable planetary conditions many hopes are attained now; friends lend their support, too. Make a point to make new acquaintances.

LIBRA [September 23-October 22] - Advancement through your own efforts may come about but be patient, the pace is not as swift as you may wish. Show superiors they have your respect and cooperation.

SCORPIO [October 23-November 21] - Your desire to investigate matters of a philosophical nature may prompt you to make some big changes soon. Intellectual development is essential so make room for new studies.

SAGITTARIUS [November 22-December 20] - Occult subjects hold special interest for you now and you're prone to want to investigate every angle as inquisitiveness in such matters prevails.

CAPRICORN [December 21-January 20] - Both social and financial gains can be experienced now through a successful partnership. A good time to consider the possibilities of forming a new association.

AQUARIUS [January 21-February 19] - Employment conditions are improved; take care of clerical work and tedious obligations. Small vexations should be overlooked.

PISCES [February 20-March 20] - Amusements and recreational pursuits are in abundance; you now have the opportunity to increase social activities. A good week also for dealings with the younger generation.

The word "bride" comes from an early Teutonic word meaning "to cook."

ONE OF THE MOST ATTRACTIVE and colorful (red, white and blue, of course) booths at Sunday's Art Fair belonged to the community's Bicentennial Commission. On sale were bicentennial plates, belt buckles and other items.

Seated (from left): Louise Johnson, Sheila Linker and Carolyn Blanchette. Standing (from left): Bill Brook, chairman of the Antioch Bicentennial Commission; Gene Zannini and Jack Fields.

All Agree: Art Fair A Success

Antioch's fourth annual Arts, Crafts and Antiques Fair was a success Sunday.

Both Elaine Oftedahl, chairman and Chris Plonke, secretary of the sponsoring group, the Antioch Chamber of Commerce and Industry, agreed to that.

It was a hot, sultry day, with temperatures in the 90s, but it was better than rain, promoters of the art fair said.

THE EVENT, held in the village parking lot near the water tower, attracted 160 exhibitors and easily more than 1,000 viewers.

The Chamber is expected to hold its fifth annual art fair next summer.

"Best of show" honors this time went to John Eckert of Evanston, for a drawing of a child's face. He won \$150.

FIRST, SECOND and third prizes of \$75, \$50 and \$25 were given in both arts and crafts.

Ellen McDowall won the \$75 first prize in arts for her barn scene. Merle Hedberg of Northfield won second prize and Jeanette Pachay was third with an oil painting titled "Lemonade."

In crafts, Louisa Davies of Madison was first with her boutiques, Jane Teresinski was second for her leather work, and Phil and Emily Mundt of Park Forest were third, with a ceramics display.

Names in the News

Eleven Knox College students including Kim Shkapich of Antioch, were recognized for their achievements in art during the annual Albert Young exhibition and competition at the college.

Kim, the daughter of Mr. and Mrs. Fred Shkapich, has been a continuing education student at Knox, in Galesburg, Ill. She received a first prize for her sculpture, "Babies in Window."

PAULA E. ALLEN, of Antioch, the daughter of Walter and Lillian Allen of Trevor, will attend the University of Hawaii next year as a member of the National Student Exchange.

Paula is working toward a double major in biology and geology. She recently received academic honors at the University of Wisconsin-Green Bay.

TIMOTHY BUCK, of Rt. 4, Box 392, Antioch, was among more than 2,000 University of Wisconsin-Whitewater students who received academic honors during the 1975-76 school year.

Punjab Afghan Kashmir Sindh Tan

Pakistan gets its name from the parts that make it up: P-Punjab, A-Afghan border states, K-Kashmir, S-Sindh, and Tan for Baluchistan.

FLORENCE PEDERSEN'S remarkable collection of cactus plants made an interesting booth at the Chamber's Art Fair. She brought a couple back from Arizona once, and raising them became a hobby. Quite a few were sold Sunday. Also on sale at Florence's booth were copies of her son's record album. Lloyd Pedersen of Antioch, a rising star in the entertainment world, is back in this area, performing at Marriott's Lincolnshire Resort until Aug. 28.

IN THE SAVINGS & LOAN PLAZA

Twelve U.S. Presidents were elected with less than a majority of the popular vote.

Homan 2nd At Wilmot

Jim Fiscus, Madison, added his name to the list of drivers to post wins in Wilmot super-modified stock car racing at the Kenosha County Speedway Saturday night.

Eight different drivers have now won feature events in 10 race nights completed.

Fiscus started 6th in the 18-car field and "flew" into the lead by the end of the second lap. The pace was fast on the hard track that had lost most of its moisture to the high winds and 100 degree temperatures earlier in the day.

The results caused a car to spin at the start of the second lap in front of defending champion Dick Colburn, Muskego, who had set fast time, won a heat race and was headed for a clean sweep.

Colburn had to spin to avoid a direct collision and had trouble with his transmission. He finally got his car into the infield, too late to attempt a catch-up.

Don Schroff, Waukegan, won the 15 lap semi-feature and a heat race. Other heat race winners were Bill Repsold, Spring Grove who later had to be disqualified from the feature. He ignored the black flag for three laps because the wing on his car was loose and presented a risk to the safety of the other drivers. Finally it did come off the car and brought out the yellow flag to remove it from the track. Repsold was stopped and sent to the pits.

TOM HOMAN of Antioch was second in the 15-lap sportsman feature.

Saturday night, the late model sportsman will race in their mid-season championship, 40-lap feature (run as twin 20-lap events).

Colburn and Ken Zeisse continue to lead in the point standings.

DUKE NORTON, Wonder Lake, the defending champion of the late model sportsman stock cars, won his first feature of the season at Wilmot on Thursday night.

It marked the end to Thursday night stock car racing at Wilmot as the number of cars dropped by more than 50 percent and the fans by even more from opening night on the previous Thursday.

Thursday night racing could return, however, because the track has now announced a policy that will have Thursday nights as rain dates for any Saturday night.

In addition, there will be one complete Thursday night race program held on July 29.

The USAC midgets will be racing at Wilmot in their first appearance on Saturday night, July 31, so the super-modifieds and late model sportsman stock cars will now race on that Thursday night. Thereafter, Thursday night racing will be limited to serve for Saturday night rain-outs only.

Toft Auto Racing has added spectator stock car racing to the Saturday night program. Spectator racing grew in numbers while the late model sportsman support was cut in half.

To encourage these cars, which have previously raced only at Lake Geneva on Friday and Sunday nights, they will now be able to race at Wilmot on Saturday nights.

A GOLFER HITS a challenging shot over one of the water hazards at Bristol Oaks Country Club. The course, only 10 miles from Antioch, offers a pleasant test to the player who likes well-manicured greens and fairways, and scenic lakes and ponds. There also are plenty of shots

through hallways of tall trees for those who like a challenge on a course that is more a pleasure than a monster. Below is another view of the course with the modern, spacious clubhouse in the background. Bristol Oaks is on highway 50 in Kenosha county, six miles east of highway 83.

Park District Plans 2nd Track Meet

Another "Antioch Park District" track and field meet will be held next Tuesday, July 20, at the high school track.

Competition will last from 6 to 8 p.m. Events will be available for athletes of high school and college age, as well as any youngsters who want to participate.

There is a fee of 25 cents for each event entered, or \$2 for the entire season.

An Antioch Park District meet was held on Tuesday of last week, with ribbons presented to the top performers.

In the 3rd, 4th and 5th grade girls events the leaders in the 50-yard dash were Sandy Petykowski 1st, Lore Noethling 2nd and Lisa Denny 3rd.

The 100-yard dash was won by Lore Noethling, followed by Sandy Petykowski and Heidi Kufalk.

The 220 had Lore Noethling 1st, Sandy Petykowski 2nd and Heidi Kufalk 3rd.

Sandy Petykowski won the long jump and Lisa Denny and Heidi Kufalk tied for second.

The 3rd 4th and 5th grade boy

leaders were Andrew Biel 1st, Steve Denny 2nd and Stephen Biel 3rd in the 50.

The 100 was won by Andrew Biel, followed by Stephen Biel and Eric Glover. Andrew Biel won the 220 with Stephen Biel 2nd and Steve Denny 3rd. Eric Glover won the long jump.

The 50 yard dash for the 6th, 7th and 8th grade girls was won by Heather Kufalk with Renee Petykowski second.

Helene Noethling won the 100, followed by Heather Kufalk and Renee Petykowski. The 220 was won by Dawn Flaschner.

The 440 was won by Heather Kufalk and the 80-yard low hurdles by Renee Petykowski.

Jill Harland won the 880, Renee Petykowski the long jump and Jennifer Biel both the shot put and the discus. Jill Harland was second in the shot and discus.

There were no 6th, 7th or 8th grade boy competitors.

Antioch Travel Agency

Wally and Dottie Daniels

Did you ever think of going on a cruise? You can see all the dream islands of the world from shipboard. Shipboard is glamorous, spacious, features international cuisine, deck sports, heated swimming pools, sauna, first-run films, festive parties, and a variety of live entertainment. A cruise is a great way to see the world, relax, and enjoy it.

Get exciting details and first-hand information on cruises from the staff at **ANTIOCH TRAVEL AGENCY**, Antioch Savings Plaza! We specialize in planning family trips, honeymoons, cruises, and vacations, and can help plan a trip that is just right for you. There are no additional charges when you book through us. Call us at 395-0665. We are open daily until 5 P.M., Friday evenings until 8 P.M., and Saturdays until 3 P.M.

ABC's of Travel

Domestic and International

By BARB CORBIN

BITS & PIECES - The CIEE helps cut red tape for students who want to find a job abroad.

They are the largest non-profit student travel organization in the U.S. They will find a job for up to six months at any time of the year. Write for details and application forms to CIEE, 777 United Nations Plaza, New York, New York 10017.

They make all the arrangements for Great Britain, France, Germany and Ireland. Have fun kids; wish I was young once again!

HOW TO CHOOSE the fare that suits your needs? To the air traveler, there may seem to be as many air fares as there are types of cheeses.

With seasonal variations, there are currently 24 types of fares on scheduled carriers; however, by the time this is printed the number can be up. It is for this reason we urge you to call your travel agent. He can assist you in selecting the fare most suitable for taste and budget.

We provide impartial advice for our sole interest lies in service your interest and protecting your travel investment.

We know your trip involves money, time, and means so much to you. Few things torture the traveler more than spending his money - whether a lot or a little - unwisely.

DID YOU KNOW? Most international and domestic passengers connecting between JFK, LaGuardia and Newark are eligible for free or reduced helicopter fare. Frequent 30-passenger choppers zip between the three big jetports in 5 to 15 minutes. Saves expensive hours in frustrating ground traffic.

Contact your travel agent for the arrangements, to be written along with the airline ticket free of charge. For those of you who have never taken a helicopter

BARB CORBIN

ride - here is your chance.

ALSO ONE MORE. closing thought! One out of every eight Americans still have not set foot in an airplane.

This, I know, is hard to believe, seeing all these young people on the move. Even our own grade school sent the 8th graders on an airplane to Washington, D.C. for the end of their school year. Guess it is Ma and Pa who stay home.

The word *panic* comes from the Greek god Pan, because sounds heard by night in the wilderness, which give rise to sudden and groundless fear, are attributed to him.

What to look for when you're looking for an air conditioner.

Before you choose an air conditioner, ask the dealer for its energy efficiency ratio. This number tells you the efficiency of a unit. An air conditioner with an EER number of 8 or above will be thrifty for you electrically.

The EER number is computed by dividing the BTUs by the watts. A 12,000-BTU unit that uses 1500 watts will rate an 8. If the EER doesn't appear on the tag or metal nameplate, use this simple formula yourself. It's a worthwhile exercise that can pay off in electric dollar savings over the long run.

Don't buy too much capacity. Surprisingly, an air conditioner that's too big usually won't keep you as comfortable as a smaller unit.

So measure the space to be cooled before you go to the dealer. Also note any doors that might let cool air escape, or windows that might let direct sunlight in. The dealer will have charts to translate your notes into the right air conditioner selection.

Some tips on cutting cooling costs. Keep the warm air out and the cool air in with proper insulation and weather stripping where you need it. Block out the sun by drawing drapes. And locate the air conditioner on the shady side of your house, making sure to seal any leaks in the window after you put it in.

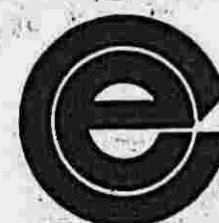

And remember to keep the filter clean. Check your owner's manual to see if you should vacuum it or wash it. In either case, a good periodic cleaning will make your air conditioner more efficient, and save you money.

Another good way to save on your cooling costs is to get an automatic timer made especially for air conditioners. If you're going to be away from home for the day, you can set the timer to turn on the air conditioner an hour or so before you return in the evening. Your home will be more comfortable; your air conditioner will get most of the day off; and you'll save money on your electric bill.

It makes a lot of sense to buy an air conditioner that starts efficient and stays efficient. Saving energy always makes sense. And when summer's over, you'll find the extra care was worth it—in dollars and cents.

LOOK FOR AN EER OF 8 OR ABOVE

Working for you.

We Cover the Waterfront

As far as we know, State Farm insures more pleasure boats than any other company. And for good reasons. We offer complete coverage, fast claim service, low rates and a wide range of premium discounts. For all the details, call or come in.

DICK WITT

408 Lake, Antioch

395-1089

Like a good neighbor, State Farm is there.

WHO KNOWS? The Chicago Bears' hopes for the future might rest on Antioch's Viking football league. At least Bob Thain (carrying football) and Andy Lehn, making the tackle, are learning to perform like big leaguers. Registration for this year's Viking program will be held Friday and Saturday of this week, and Saturday, Aug. 8.

Viking Football Registration Set

The Antioch Viking will register players this weekend for their tackle football season.

Boys who will be in the 5th, 6th, 7th and 8th grades, and will not reach their 15th birthday before Sept. 1, can register at the Antioch Scouthouse Friday from 6 to 9 p.m. or Saturday from 9 a.m. until 12 noon.

A registration fee of \$18 (\$13 for each additional boy from the same family) will be charged.

The fee includes insurance, and game and practice jerseys which the boys keep at the end of the season. It also helps supply other equipment and facilities.

Boys must furnish their own

footwear and mouthguards.

Proof of age must be produced at the time of registration.

Last year, because of contributions by businessmen and friends, the Viking program was able to purchase more new equipment for this and coming seasons.

The objective of the program is to provide every boy in the area a chance to learn the basic principles of tackle football with qualified instruction.

The Antioch Vikings compete against boys of their own age in the Northern Illinois Junior league.

Wins At Waukegan

Rookie driver Bill Schmidt of Kenosha took the super-modified feature lead with 11 laps to go to win in a tight finish over Jimmy Hedges and Gene Pennington at Waukegan Speedway Sunday night.

It was the first feature win for Schmidt who earlier in the evening scored his first win ever at the quarter-mile track by edging Bill Klein in the second heat race.

In time trial runs Bob Robel skidded into the wall and damaged his car slightly. Jim Uttech also hit the wall in the same spot and was out for the night.

Ken Monroe of Pell Lake won the trophy dash while fastest qualifier Joe Kristan slipped back to seventh in the feature.

GOP Plans Annual Golf Event

Tickets are now available for the annual golf outing of the Antioch Township Republican Club.

The event will be held at the Antioch Country Club on Wednesday, Sept. 15.

Chairman ElRoy Anderson said a continental breakfast will be served in the morning for golfers teeing off early.

In the evening, there will be a dinner and presentation of prizes.

Another meeting of the Republican Club is scheduled next Wednesday, July 21, at Steve's Lounge on Rt. 173 in Channel Lake. It starts at 8 p.m. and the public is invited.

The oldest man ever to be nominated for president or vice president was Henry Gassaway Davis of West Virginia. He was 80 years and 235 days old when he was nominated at the Democratic Convention at St. Louis, Missouri, in July, 1904.

Gun Safety Classes Will Begin

Reservations are still being taken for the Northern Illinois Conservation Club's gun safety classes.

The number to call is 395-1898. State Instructor Henry R. Kaht will supervise the free classes.

A new Illinois law requires any person 16-years-old or younger to have received at least eight hours of safety instruction prior to issuance of an Illinois hunting license to that person.

The first class will be held on Saturdays, July 17 and 24, from 1 to 5 p.m., and the second class on Saturdays, Aug. 7 and 14, from 1 to 5 p.m.

UNDER THE NEW LAW, applicants must either qualify as noted above, or display and prove ownership of a hunting license for the year prior to that in which

application is being made.

Individuals 17 years or older are exempt from the provisions of the new law. But adults are advised to attend the classes also, since many states (including Canada) will not issue a current license unless a license for the preceding year can be displayed.

Classes will be conducted at the headquarters of the Northern Illinois Conservation Club (2½ miles west of Antioch just off Route 173).

MR. KAHT WILL BE supervising the groups and upon completion of the training course will award official certificates and registration cards to participants qualifying.

Reservations will be limited to 50 persons at each class.

Politics and Sports Compete in Montreal

(This is the third in a series of articles on the 1976 Olympic Games by Jody Patrovsky of Antioch. She will arrive in Montreal Sunday afternoon, and will attend her first Olympic event Sunday evening.)

By JODY PATROVSKY

World politics have once again become a part of the competition in the Olympic Games.

Politics have competed ever since 776 B.C., when the Ancient Olympic Games began in Olym-

pia, Greece.

The Ancient Games were originally celebrated as a festival to pay tribute to the manhood of the nation.

As the world matured and emperors began to dominate, the peaceful festivals changed into political fiascos, which caused the end of almost 1,200 years of Olympic tradition in 393 A.D.

MORE RECENTLY, in 1936 in Berlin, Germany, the Modern Olympic Games found itself once again in the hands of that nation's ruler. Hitler's political beliefs created an uproar.

Now, 40 years later, Canada's foreign policy is creating the turmoil in the 1976 Olympic Games.

Even though the political controversy has caused unrest, the opening ceremonies are still scheduled to be held this Saturday, July 17.

QUEEN ELIZABETH II of Great Britain will open the Games of the 21st Olympiad in the newly constructed, multi-million dollar Olympic Stadium in Montreal.

She, Lord Killanin, president of the International Olympic Committee, and Roger Rousseau, president of the organizing committee, will preside over the parade of the athletes.

The parade is led by the athletes representing Greece, the site of the 1st Olympiad, and followed by the other nations in alphabetical order.

After all the athletes have entered the stadium, Queen Elizabeth will be asked by Lord Killanin "... to proclaim open the Games of the 21st Olympiad..."

The official Olympic flag, with the five rings each representing at least one color from every nation's flag, will then be raised and flown until the next Games in 1980.

NEXT, THE Olympic Flame will be brought into the stadium by a Canadian runner to light the torch that will burn throughout the Games.

This modern torch-lighting ceremony was first initiated in the 1936 Olympics at Berlin, to re-ignite the traditional flame of the Ancient Olympic Games in Greece.

A butane-fueled urn is lighted by the sun in Olympia, Greece, and then a flame is carried by runner to the site of the Games, but Montreal will receive the flame through modern technology.

A runner will bring the flame to Athens, Greece, where a sensor will turn the flame into impulses and then transmit them via satellite to a receiver in Ottawa, Canada's capital.

FROM OTTAWA, a series of runners will bring the re-ignited flame to the Olympic Stadium - an approximate distance of 100 miles.

After the opening ceremony is completed, the athletes will return to the Olympic village to nervously await the start of competition on Sunday, July 18.

ABC's live television coverage of the Olympic Games will begin Saturday at 1:30 (CDT) with the opening ceremonies and will continue throughout the Games, making it possible for millions of people to see the spectacular events.

Hopefully, the people will see athletics as the only victor.

The First Annual

Antioch Open

at the

antioch country club

Co-Sponsored by Antioch Country Club

School Cafeteria Has Inflation Problem, Too.

Revised eligibility guidelines, for free or reduced price breakfasts and lunches in Illinois schools, have been announced by State Superintendent of Education Joseph M. Cronin in Springfield.

The guidelines reflect an average hike of 14 percent in family income levels eligible for the free and reduced price programs, Cronin said. The guidelines are adjusted each year to reflect the Bureau of Labor Statistics "Cost of Eating Out" index.

Cronin expressed his concern at the impact of inflation in the school cafeteria.

"Everything from scrambled eggs to hamburgers costs more to prepare," he said. "And these increased costs have forced local school boards to raise the lunchroom prices, thereby pricing some children out of the school cafeteria."

"We must make sure good

nutrition is within the reach of every school child," Cronin said.

He said that the yearly adjustment in the guidelines should assist some families by allowing them to reach a higher earning level while still qualifying for the free or reduced price breakfasts and lunches.

Maximum cost for a reduced-price lunch is 20 cents. Maximum for the reduced-priced breakfast is 10 cents.

Illinois statutes require all public schools to offer free lunches to eligible needy students.

The state education office said that in applying the guidelines, local authorities can consider either the income of the family during the past 12 months or the family's current rate of income to determine which is the better indicator of need for free or reduced price meals.

LEGAL ZONING NOTICE OF PUBLIC HEARING VILLAGE OF ANTIOCH, ILLINOIS

To Whom It May Concern:
A public hearing will be held in the Village Hall, 874 Main Street, Antioch, Illinois, on Tuesday, August 3, 1976 at 7:30 p.m. on an amendment to the Antioch zoning ordinance regarding signs.

All persons desiring to appear and be heard, for or against said sign ordinance amendment may appear at said hearing and be heard thereon.

Date this July 12, 1976.
Village of Antioch
Donald Amundsen
Chairman
Zoning Board of Appeals

**LEGAL
PUBLIC NOTICE**
Notice of Proposed Filing
To the Patrons of the Illinois Bell Telephone Company:
The Illinois Bell Telephone Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission, under Advice No. 3726, proposed changes in its rates and charges for telephone services in Illinois. The changes involve a general increase in the rates and charges for exchange telecommunications services, intrastate long distance and wide area telecommunications services, and various miscellaneous services and equipment as well as the establishment of new rates, charges and regulations for certain services.

A copy of the proposed filing may be inspected by any interested party at any business office of this Company in Illinois.

All parties interested in this matter may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission, Springfield, Illinois 62706.

Bicentennial Activities

The College of Lake County's Bicentennial Commission will host community events this month.

The final event for July is the drama presentation of "Scratch," a three-act play written by Pulitzer Prize win-

ner Archibald MacLeish. Adapted from the short story "The Devil and Daniel Webster" the play is scheduled for July 23-25 at 8:30 p.m.

A Sunday after noon in the park on July 18, from 1 to 6 p.m., is the second event.

Tennis Titles At Stake

Coming up ... the biggest weekend of the season for Antioch area tennis fans.

On Saturday and Sunday at Jensen Park, the semifinals and finals will be played in the Bicentennial Tennis Tournament being sponsored by Foremost Liquors of Antioch and Lindenhurst.

Kevin Kelly, tournament director, said trophies will be awarded to first and second place finishers on Sunday.

THE EXCITEMENT starts at 10 a.m. Saturday with a doubles semifinal pitting Bob Zukowski and Ken Burmeister of Twin Lakes against "Big Jim" Brady and "Tiny Tom" Reigel, also of Twin Lakes.

The other semifinal in men's doubles sends Ray Jenssen and Bill Nauman of Antioch against opponents yet to be determined. The match is slated for 3:30 p.m.

In women's doubles, a semifinal match will be played at 12 noon Saturday, with Jill Hein and Sandy Timmins of Lake Villa playing against Pat Fabry

and Ruth Henning of Lindenhurst.

A semifinal match in mixed doubles will be played at 1:30 p.m. Saturday. Pres and Bev Reckers of Antioch will be competing against Jill Hein of Lake Villa and Ariel Baylon of Antioch.

Starting times of matches are approximate, Kelly said.

THE CHAMPIONSHIP matches will be played Sunday, also at Jensen Park. Saturday's winners, of course, will advance to the finals. The schedule for Sunday is:

10 a.m. - Women's Doubles.

12 noon - Mixed Doubles

2 p.m. - Men's Doubles.

Refreshments will be available to spectators, Kelly said.

Racers Thrill Fans

Dave Watson, Milton, Wis., drove the Fred Nielsen 1976 Camaro to his sixth feature race win at the Lake Geneva Raceway Saturday night.

It was his second feature race win in a row and this one came in the 50-lap R-D Performance Equipment Company mid-season championship race.

It took Watson almost a normal 30 lap feature race distance to come from the back of the field and take the lead from Steve Lurvey, Dausman.

THIS WEEKEND, the track will introduce "one-on-one" spectator stock passenger car one-lap racing the \$50 to the final winner.

Cars will be paried off and race from a standing start for one lap with winners racing winners to determine the overall eliminator and winner of the \$50.

On Sunday, the sportsman stock cars will race in their mid-season championship for 50 laps. A \$75 bonus purse will be paid to the winner with the second place car getting \$25 extra. Lap prizes will also be

State Bank Swimmers Continue To Improve

Despite a tremendous effort by the Antioch "Seals" swim team, sponsored by the State Bank, they lost a heart-breaker to Brentwood of Waukegan last Saturday due to a lack of depth 242-186.

The "Seals" scored 24 firsts out of a possible 46 events and 51 best times were recorded, but Antioch was missing 15 swimmers because of camping and

other activities.

Shelly Volling, Brian Wogsland, Lisa Dunn and Sue Harrison were triple winners for the "Seals," followed by Kathy Kelly, John Hund, George and Theodore Bessette, Trina Spietz - all double winners.

Also scoring firsts for Antioch were Phil Jaworek, Teresa Teeple and John Bellucci.

Brentwood is undefeated in 10 straight dual meets and has a team of 80-plus swimmers. More than 75 percent of the team swims winter and summer.

But Antioch gave them quite a scare.

"There's a growing feeling that Antioch's going to definitely be a team to reckon with for the conference championship at

Lake Forest Club July 24," said Coach Marty Berry. "But between now and then the Seals will be in the conference relays at Lincolnshire July 17 and take on Old Willow Club July 20.

The Kenosha Relays are at Tremper High School July 22nd. Antioch is led by 8-year-old Brian Wogsland, who is unde-

OBITUARIES

Indian Point Woman Dies

Mrs. Betty Koppen, 51, died Friday at her home in Indian Point near Antioch. She was born Sept. 18, 1924 in Oshkosh, Wis., moved to Palatine in 1951 and to Antioch in 1956.

Mrs. Koppen was a member of Ivy Rebecca Lodge 38 of Oshkosh and of St. Stephen Lutheran Church, Antioch.

She married Jacque Koppen on Sept. 23, 1957. He preceded her in death on June 14, 1975.

She is survived by her mother Jennie Christilaw of Oshkosh, three brothers, James (Elaine) Christilaw of Oshkosh, Jack (Grete) Christilaw of Livonia, Mich., Allan (Joni) Christilaw

of Bay City, Mich. and two sisters, Ruth (Harold) Miller and Jean (Donald) Sieberlich, both of Oshkosh.

Friends called on Sunday and Monday at Strang Funeral Home, 1055 Main St., Antioch, where a service was held at 11 a.m. Monday. Graveside services were conducted at 3 p.m. Monday in the Lake View Cemetery, Oshkosh.

Harriett Albano Passes Away In Madison

Harriett M. Albano, 51, of Antioch died Tuesday, July 6, at University Hospital, Madison, Wis.

Mrs. Albano was born Mar. 1, 1925 in Elmwood Park, Ill., and had been a resident of the Antioch area for 29 years. She had been recently employed at the Jewel Food Store in Antioch.

Survivors include her husband, Louis; two daughters, Mrs. Joseph (Linda) Torri, Jr., of Antioch and LouAnn Albano of Antioch; three sons, Richard Albano of Oshkosh, Wis., William (Joan) Albano of Milton, Wis., and Russell Albano of Antioch; two sisters, Edith Peterson of St. Petersburg, Fla., and Marlene Kuc of Crystal Lake; and two brothers, Robert Grosse of Hinsdale and Richard Grosse of Chicago.

Funeral services were held last Friday at the Barr Funeral Home Colonial Chapel, 532 Lake St., Antioch. Interment was in Liberty Cemetery, Trevor, Wis.

In lieu of flowers, donations may be made to leukemia cancer research.

2 Drownings In Area Lakes

Two Chicago youths drowned in area lakes Sunday.

Michael Fuhrmann, 18, drowned in Lake Catherine-Channel Lake, near Antioch, and Raymond Sanchez, 16, lost his life in Nippersink Lake.

They were the 13th and 14th drownings this year in Lake County, compared to nine at this time a year ago.

Fuhrmann's father said his son was a non-swimmer. He reportedly was with several others when they decided to move the anchor of their boat.

Michael waded into the water and apparently stepped into a drop-off area where the water was over his head. His friends threw a life preserver and swam after him but were unable to rescue him.

Sanchez was thrown from a boat Sunday morning when it was sideswiped by another boat in Nippersink Lake. All five occupants in the 18-foot boat were thrown into the water, Fox Lake Police said.

The boat that hit them, and others in the area, were able to save the four survivors but Sanchez' body wasn't recovered until seven hours later by the Lake County Underwater team. It was in about eight feet of water.

Geneva

Continued from page 21

offered for as many as are purchased.

MIKE SIMKO, Milwaukee, was again the winner of the 25-lap feature race for super-modifieds at the Lake Geneva Raceway on Friday night. It was second win in a row and followed his initial feature win of last Friday night in the SMAC series of racing.

The race had two other leaders before Simko caught and passed Ron Bergama, Richmond, who took over early from John Tierney, Lake Villa. Bergama, in a Plymouth-powered, open wheel super-modified, built a long lead and it took Simko until the 19th lap to catch him.

Racing At Waukegan

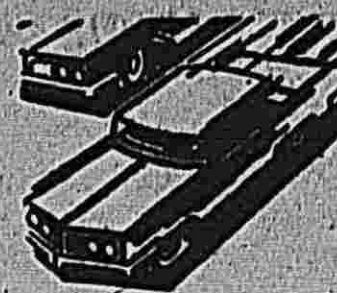

Continued from page 17

drove a Gremlin to victory in the "Beat-Your-Neighbor" races. Another set of these one-on-one elimination races will be run next Sunday.

BOB DOTTER won a controversial fourth straight Saturday night feature in the late model division at Waukegan.

Dotter took the feature lead from fastest qualifier Phil Mass in the 22nd lap as Mass spun on the homestretch and into the infield after being bumped by Dotter.

The race was stopped in the 11th lap when Frank Dowell, the early leader, spun in the third turn and Mass crashed into the stranded car. The front of Mass's car was severely bent

and the left side of Dowell's No. 76 car was wiped out.

On the restart Mass's car showed no ill-effects and built up a several car length lead over Dotter, who finally caught Mass in the 18th lap and tried to pass.

After a few light bumps, the two collided coming out of the fourth turn and Mass again went spinning. He restarted and managed to recover for fifth spot money at the checkered flag.

Swimmers

Continued from page 21

feated in backstroke this season for six meets and beaten only twice by "a touch" in freestyle. Also, Lisa Dunn, 9-year-old, is close behind, winning breaststroke in all five meets she's been in.

Shelly Volling is undefeated in four meets in butterfly, Judy Houghton in backstroke, Sue Harrison in free-style, and Trina Spietz in medley.

"These swimmers, plus many others, are working hard and providing a good example for the other swimmers to follow. We'll be watching this group of athletes as they continue to improve," Coach Berry said.

"Tenderness is passion in repose."
Joseph Joubert
